About Firmenich

Firmenich was founded in 1895 in Geneva, Switzerland, and for 125 years has been a private family-owned company. Firmenich is a leading business-to-business company operating primarily in the flavors and fragrances market, and is involved in the research, creation, manufacture and sale of perfumes, flavors and ingredients. Firmenich aims to offer its customers superior creativity in formulation, a broad and high-quality palette of ingredients and proprietary technologies including in biotechnology, encapsulation, olfactory science and taste modulation, among other areas of innovation. Firmenich had an annual turnover of 3.9 billion Swiss Francs at end June 2019. More information about Firmenich is available at www.firmenich.com
